DEDICATION

We the Seniors of 1966 would like to dedicate this edition of the Mustang to the untiring efforts of a teacher, coach, and friend and to the unceasing interest in the development of learning in our school.

His spirit and good judgment have been a wonderful inspiration to all who have been associated with him. We consider ourselves fortunate in having the services of such a man as Mr. Van Rutherford.

SUPERINTENDENT'S MESSAGE

Our educational system is set up for the purpose of offering you the maximum opportunity for a good education. The time, energy, and research you invest in your school life will determine the benefits you derive from your efforts. Therefore, it is of the utmost importance that you strive to always do your best.

May your remaining years in school not only be pleasant, but enable you to take full advantage of your opportunities.

To Mr. Rutherford and the Annual Staff, I offer my congratulations of the publication of this fine yearbook for a job well done.

To each and every one of you my most sincere wish for a happy and useful life.

Sincerely,
David L. Haynie
